

### CAT'S EYES (CATA STUDS)

#### Aluminium Body Studs

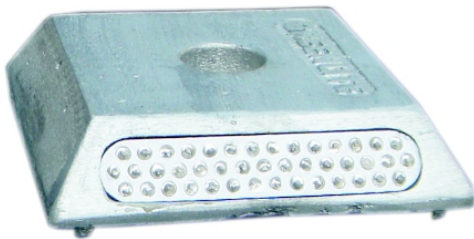

CAT PART NO. GPL-01-01

Uni(21 beads)/dual (42 beads)/tri-directional (63 beads) reflective cat eye of aluminium casted stud **100x100mm** having **3 round ABS plastic discs containing 21 mini retro-reflective glass beads** of colour white/red/yellow a side provided with steel zinc plated nail of dia 12mm of length 120mm for fixing to road by hammering. Cat-Part No. GPL-01-01 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-01-02

Uni(31 beads)/dual (62 beads)/tri-directional (93 beads) reflective cat eye of aluminium casted stud **100x100mm** having ABS plastic **strip containing 31 mini retro-reflective glass beads** of colour white/red/yellow a side provided with steel zinc plated nail of dia 12mm of length 120mm for fixing to road by hammering. Cat-Part No. GPL-01-02 Make: **GREENS/GREENLITE.**

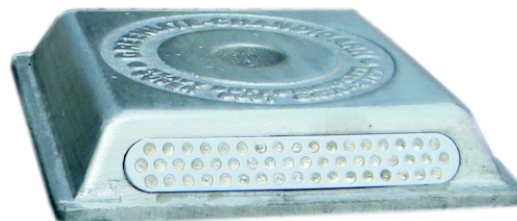

CAT PART NO. GPL-01-03

Uni(43 beads)/dual (86 beads)/tri-directional (129 beads) reflective cat eye of aluminium casted stud **100x100mm** having ABS plastic **strip containing 43 mini retro-reflective glass beads** of colour white/red/yellow a side provided with steel zinc plated nail of dia 12mm of length 120mm for fixing to road by hammering. Cat-part No. GPL-01-03 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-01-04

Uni(43 beads)/dual (86 beads) directional reflective cat eye of aluminium casted stud **120x120mm** having ABS plastic **strip containing 43 mini retro-reflective glass beads** of colour white/red/yellow a side provided with steel zinc plated nail of dia 12mm of length 120mm for fixing to road by hammering. Cat-Part No. GPL-01-04 Make: **GREENS/ GREENLITE.**

CAT PART NO. GPL-01-05

Uni(52 beads)/dual (104 beads)/tri-directional (156 beads) reflective cat eye of aluminium casted stud **130x130mm** having ABS plastic **strip containing 52 mini retro-reflective glass beads** of colour white/red/yellow a side provided with steel zinc plated nail of dia 12mm of length 120mm for fixing to road by hammering. Cat-Part No. GPL-01-05 Make: **GREENS/GREENLITE.**

### CAT'S EYES (CATA STUDS)

#### ABS Plastic Body Studs

CAT PART NO. GPL-02-01

Uni(31 beads)/dual (62 beads)/tri-directional (93 beads) reflective cat eye of impact resistant ABS plastic stud **100x100mm** having ultra-violet resistant colour (white/red/yellow) with ABS plastic **strip containing 31 mini retro reflective glass beads** of colour white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-01 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-02-02

Uni(28 beads)/dual (56 beads)/tri-directional (84 beads) reflective cat eye of impact resistant ABS plastic stud **110x110mm double moulded solid state** having ultra-violet resistant colour (white/red/yellow) with **four round discs containing 28 mini retro reflective glass beads** of colour white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-02 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-02-03

Uni(43 beads)/dual-directional (86 beads) reflective cat eye of impact resistant ABS plastic stud **100x115mm double moulded solid state** having ultra-violet resistant colour (white/ red/yellow) with ABS plastic **strip containing 43 mini retro reflective glass beads** of colour white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-03 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-02-04

Uni(19 beads)/dual-directional (38 beads) reflective cat eye of impact resistant ABS plastic stud **120x120mm** having ultra-violet resistant colour (white/red/yellow) with ABS plastic **strip containing 19 mini retro reflective glass beads** of colour white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-04 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-02-05

Uni(31 beads)/dual-directional (62 beads) reflective cat eye of impact resistant ABS plastic stud **120x120mm** having ultra-violet resistant colour (white/red/yellow) with ABS plastic **strip containing 31 mini retro reflective glass beads** of colour white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-05 Make: **GREENS/GREENLITE.**

### CAT'S EYES (CATA STUDS)

#### ABS Plastic Body Studs

CAT PART NO. GPL-02-51

Uni (4 large beads)/dual (8 large beads) reflective cat eye of impact resistant ABS plastic stud **120X120mm** having ultra violet resistant colour white having **4 large glass lens reflectors (Tiger-eye)** of colour white a side provided with steel zinc plated nail of dia 12mm of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-51 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-02-11

Uni/dual directional reflective cat eye of impact resistant ABS plastic stud **100X100mm** having ultra-violet resistant colour (white/red/yellow) having **micro cube corner spark glow** reflector white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-11 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-02-12

Uni/dual directional reflective cat eye of impact resistant ABS plastic stud **100X115mm solid state double moulded** having ultra-violet resistant colours (white/red/yellow) having **micro cube corner spark glow reflector** white/red/yellow to a side provided with steel zinc plated nail of dia 12mm and of length 120mm for fixing to road by hammering. Cat-Part No. GPL-02-12 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-BS-02-11

Uni/dual directional reflective cat eye of impact resistant ABS plastic stud **100x100mm** having ultra-violet resistant colour (white/red/yellow) having **micro cube corner spark glow** reflector white/red/yellow to a side provided with L-key steel 12mm dia bolt along with ABS plastic stem of length 55mm for fixing to road with epoxy adhesive. Cat-Part No. GPL-BS-02-11 Make: **GREENS/GREENLITE.**

CAT PART NO. GPL-BS-02-12

Uni/dual directional reflective cat eye of impact resistant ABS plastic stud **100X110 solid state double moulded** having ultra-violet resistant colours (white/red/yellow) having **micro cube corner spark glow** reflector white/red/yellow to a side provided with L-key steel 12mm dia bolt along with ABS plastic stem of length 55mm for fixing to road with epoxy adhesive. Cat-Part No. GPL-BS-02-12 Make: **GREENS/GREENLITE.**
